

### **DISCLAIMER**

***Due to the sheer numbers of enquiries Active Canaria has received in recent months, and because many of these enquiries should have been directly sent to the organisers of the Marathon, Active Canaria has not been able to reply to every enquiry.***

***If you plan to organise your own trip (accommodation, entries etc.) and have any questions please contact the organisers of the 2011 Gran Canaria Marathon directly.***

### **GRAN CANARIA MARATHON 2011**

First of all Active Canaria would like to apologise to those of you that have sent event enquiries about the Gran Canaria Marathon and have not received a reply. The organisation committee of the marathon have come across some problems this year (due to funding, I believe) and have not been replying to any of our emails and phone calls, and at one stage it was unsure if the event would actually take place.

This week we have been ensured that the race will take place as planned on **Sunday 23<sup>rd</sup> of January**, and Active Canaria are very confident that the event will be the success it was in 2010.

### **OUR PACKAGES**

Due to the late confirmation of the Marathon taking place we have decided to 'streamline' our packages for this weekend.

We will be offering two main packages, **GOLD** and **SILVER** along with several services.
